MEMBERSHIP APPLICATION

On behalf of the breeders and enthusiasts of all Traditional and Classic Cats, thank you for expressing your interest in our Association. We are a not-for-profit organization founded in 1987 to Protect, Preserve, Perpetuate and Promote Traditional and Classic Cat of all breeds.

We have been successful in bringing back these very rare types of cats, which feature great beauty, loyalty, and personality, along with excellent general health, longevity and a lack of lethal genes. This association binds together our members who share the same interests, and who are among the thousands of previous or current owners of these very special cats. Our members receive a bimonthly newsletter containing news about our members and their cats, updates on new standards, reports of promotional activities, educational articles, and reports of our activities and shows. Our supported worldwide kitten referral service is a major source for breeder advertising and customer contacts.

The TCA, Inc. Registry has been registering Traditional and Classic cats and household pets for over 30 years. Registry application forms, and instructions are available on our web site or by requesting them from the address above. To support our efforts you are cordially invited to join our association. Please check the appropriate box below and send this form to the address above. Thank you for your interest and support. Checks can be made out to TCA, Inc.
